For Release MARCH 31, 2023

Grey Bruce COVID-19, Cold, Flu Care Clinic ends operations as of March 31, 2023

The Grey Bruce COVID-19, Cold, Flu Care Clinic (CCFCC) is closing at the end of day Friday March 31, 2023.

- For PCR COVID testing for symptomatic COVID testing or pre-surgical testing, please visit <https://www.ontario.ca/assessment-centre-locations>
- For Antiviral therapies (Paxlovid/Remdesivir) please contact your family doctor or nurse practitioner or local pharmacy.
- For other Cold, Flu and COVID care please contact your family doctor or nurse practitioner or pharmacy.
- If you require emergency care, please go to your nearest Emergency Department.

COVID is still prevalent in our community. If you feel unwell, please continue taking precautions to help limit the spread of respiratory viruses.

We would like to take this opportunity to thank all of the healthcare workers who have supported the COVID Assessment Centres and CCFCCs.
